Since 1945 Amiet has been developing and producing locks and accessories for the leather goods industry.

Amiet stand for superior quality, long experience and leading technology. All **Amiet** models are patented worldwide.

With branches in Germany, France, Italy, Brazil and competent agents in many other places of the world, **Amiet** is in a position to serve customers in an efficient way.

Modern waste water and air purification facilities, a small power station and a heat pump allow **Amiet** an ecological production.

The aim of **Amiet**: Our locks have to entirely satisfy the consumers which means contented customers of manufacturers.

Seit 1945 entwickelt und produziert **Amiet** Schlösser und Zubehör für die Lederwarenindustrie.

Amiet bedeutet höchste Qualität, langjährige Erfahrung und Spitzentechnologie. Alle **Amiet**-Modelle sind weltweit geschützt. Niederlassungen in Deutschland, Frankreich, Italien und Brasilien sowie fachkundige Vertreter auf der ganzen Welt ermöglichen es **Amiet**, die Kundschaft kompetent zu beraten und rasch zu beliefern.

Moderne Abwasser- und Abluftreinigungsanlagen, ein kleines Wasserkraftwerk und eine Wärmepumpe gestatten **Amiet** eine sehr umweltfreundliche Produktion. Die Zielsetzung von **Amiet** lautet: Unsere Schlösser müssen den Konsumenten vollauf zufriedenstellen, was für den Lederwarenhersteller zufriedene Kunden bedeutet

Desde 1945 **Amiet** diseña y fabrica cerraduras y accesorios para la marroquinería. Amiet destaca por su alta calidad, su larga experiencia y su avanzada tecnología. Todos los modelos **Amiet** están patentados.

Con filiales en Francia, Alemania, Italia, Brasil así como representantes competentes en el mundo entero **Amiet** está en disposición de aconsejar eficazmente a sus clientes y proveerlos en los mejores plazos.

Amiet es igualmente sensible a la ecología, y es por ello que sus modernas instalaciones industriales de purificación de agua, aire, responden a la normativa actual.

Entre sus objetivos **Amiet** tiene una constante preocupación en que sus cerraduras den plena satisfacción al consumidor y en consecuencia seguridad al marroquinerero

Depuis 1945 **Amiet** conçoit et fabrique des serrures et accessoires pour la maroquinerie.

Amiet se distingue pour sa haute qualité, sa longue expérience et sa technologie de pointe. Tous les modèles **Amiet** sont brevetés.

Avec des succursales en France, en Allemagne, en Italie et au Brésil ainsi que des représentants compétents dans le monde entier **Amiet** est en mesure de conseiller efficacement ses clients et les approvisionner dans les meilleurs délais. **Amiet** est également sensible à l'écologie, c'est pourquoi ses installations modernes de purification d'eau et d'air industriels répondent à des normes strictes. Parmi ses objectifs **Amiet** a pour souci constant que ses serrures donnent entière satisfaction au consommateur fidélisant ainsi la clientèle des maroquinières.

Fin dal 1945 **Amiet** crea ed esegue serrature ed accessori per la pelletteria. **Amiet** significa alta qualità, tecnologia e lunga esperienza. Tutti i modelli **Amiet** sono brevettati.

Con filiali in Italia, Francia, Germania, Brasile e rappresentanti competenti dislocati in tutto il mondo, **Amiet** è in grado di consigliare e fornire rapidamente i suoi clienti.

Impianti moderni di purificazione aria ed acque di scarico, un centralino idroelettrico ed una pompa a calore permettono ad **Amiet** una produzione ecologica.

Lo scopo di Amiet è quello di far si che le nostre serrature diano intera soddisfazione ai consumatori e di conseguenza ai pelletterieri.
